

## Panel 1

The Silent Threat

CAPTION: The shadows grow long beyond the safety of the fjord...

NARRATION: They say the Enchanted Forest holds many secrets. But tonight, it whispers of a new danger—one older and darker than the spirits themselves.

ELSA: (Softly, to herself) The mist... it's colder than winter. And it's creeping closer to home than ever before.

## Panel 2

Into the Unknown

CAPTION: No hesitation. No turning back.

NARRATION: When the realm is in peril, the Fifth Spirit answers the call. Even if the path leads straight into the belly of the abyss!

ELSA: (Determined) If Arendelle is in danger, then I face the dark alone. Let's see what you're hiding, shadows.

## Panel 3

The Hidden Danger

CAPTION: WHOOSH!

NARRATION: Deep in the gnarled thicket, the air turns to ice and venom. A maw of twisted, corrupted magic tears open the fabric of the woods, hungering for the kingdom below!

ELSA: (Bracing against the gale) By the spirits... a volatile rift! If that corruption reaches the fjord, Arendelle won't stand a chance!

## Panel 4

Power Unleashed

CAPTION: KABOOM!

NARRATION: Unleash the frost! Channel the storm! When the darkness pushes, the ice pushes back with the fury of a glacial avalanche!

ELSA: (Shouting with fierce resolve) NOT ANOTHER INCH!

## Panel 5

Arendelle Protected

CAPTION: And the storm finally breaks.

NARRATION: Sealed behind an impenetrable fortress of crystal and light, the nightmare is contained. The day is won?though the cost is heavy.

ELSA: (Panting, leaning against the glacier, smiling weakly toward the horizon) Sleep tight, Arendelle... your Queen has the watch.
