

Panel 1

The Gilded Cage

CAPTION: HIGH ABOVE THE WORLD, SEALED AWAY IN STONE AND SILENCE...

NARRATION: To the rest of the kingdom, the tower is just a legend. But to sixteen-year-old Rapunzel, it is a universe. A very small, very lonely universe.

RAPUNZEL: (Softly, to herself) Just one day... just to walk among the lights.

Panel 2

The Annual Tradition

CAPTION: EVERY YEAR ON HER BIRTHDAY, THE DISTANT SKY BLOOMS WITH FIRE.

NARRATION: She's never seen them up close, yet her heart knows their rhythm. Floating lanterns, carrying the hopes of a grieving kingdom, calling out to a princess who doesn't even know she's royalty.

RAPUNZEL: (Internal Monologue) Who are they for? What does the wind feel like out there? I refuse to spend another year wondering.

Panel 3

A Desperate Resolve

CAPTION: WONDER MUTATES INTO WILL. AND WILL BECOMES A WEAPON.

NARRATION: For sixteen years, obedience was her prison guard. Today, courage picks the lock.

RAPUNZEL: (Clenching her teeth, knuckles white) No more waiting. No more stories. Today... I write my own.

Panel 4

Stepping Into The Unknown

CAPTION: THE HEAVY OAK CREAKS OPEN. THE CAGE IS UNLOCKED.

NARRATION: The transition from shadow to sunlight hits her like a physical blow. The noise, the colors, the sheer, overwhelming pulse of life?it?s everything she dreamed, and a thousand times more terrifying.

RAPUNZEL: (Gasping, wide-eyed) By the stars... it's real. It's all real!

Panel 5

The Call of the Sky

CAPTION: AND THEN, THE DARKNESS IGNITES.

NARRATION: As the first golden ember drifts into the twilight, the barrier between the girl in the tower and the legend of the kingdom shatters forever. Her journey has only just begun.

RAPUNZEL: (Whispering, tears of pure joy streaming down her face) I'm finally here.
