

Panel 1

The Forbidden Edge

CAPTION: The Whispering Woods. For generations, the elders warned the children away. But some rules were practically begging to be broken.

NARRATION: They called it the boundary of no return. But to Maria, it looked like the only place left with answers.

MARIA: (Whispering, fingers trembling) Just a few miles past the mist... find the artifact... save the village. Easy, right? Right...?

Panel 2

The Ancient Ward

CAPTION: Every myth has a bouncer. This one just happens to be made of pure, concentrated magic.

NARRATION: Centuries of arcane spells weave together to keep the outside world out?and whatever lives in here, locked away.

MARIA: (Gritting her teeth, determination hardening her features) I didn't hike all the way up Death Mountain just to be stopped by a glorified forcefield! Let me through!

Panel 3

The First Step

CAPTION: CRACKLE! When irresistible force meets immovable magic... something's gotta give!

NARRATION: With a deafening hum of displaced energy, Maria throws her weight against the barrier. Reality bends, warping around her like glass under pressure!

MARIA: (Straining, yelling against the magic) HNNNGAH! Almost... there!

Panel 4

The Awakening

CAPTION: BOOM! The threshold is crossed. And the forest... is waking up.

NARRATION: Her boot hits the damp moss, and the world holds its breath. The ancient woods didn't just let her in?they were waiting for her.

MARIA: (Gasps, eyes wide with awe) By the stars... the runes. They're... they're recognizing me!

Panel 5

Point of No Return

CAPTION: The door clicks shut behind her. Now, there is only forward.

NARRATION: Swallowed by towering titans of bark and bioluminescent light, Maria is nothing more than a speck in a sea of ancient power. But her stride doesn't waver.

MARIA: (Steeling her resolve, walking deeper into the glowing shadows) No turning back now. Let's see what secrets you're hiding, old forest.
