

Panel 1

The Forbidden Border

CAPTION: The Whispering Woods. To the villagers, it's a graveyard of lost souls. To Maria... it's the only hope left.

NARRATION: They say the trees here drink your memories and the mist devours the brave. But legends never stopped anyone who had nothing left to lose.

MARIA: (Whispering, teeth clenched) Just a myth. It's all just stories to keep kids in at night. Right?

Panel 2

The Weight of Desire

CAPTION: A beacon in the dark.

NARRATION: Deep within the suffocating gloom, a heartbeat of pure, ethereal blue calls out to her. It hums with a power older than the earth itself?and a promise that shatters every ounce of fear.

MARIA: (Internal monologue) I can feel it. It?s real. The cure... it?s in there. I have to go on.

Panel 3

Breaking the Barrier

CAPTION: No hesitation. No turning back.

NARRATION: The boundary between the world of men and the realm of magic doesn't fight her. It bends, parting like liquid starlight beneath her fingertips.

MARIA: (Gasping) Ah?! It's cold... like ice, but it feels... alive.

Panel 4

A World Unknown

CAPTION: Welcome to the deep wild.

NARRATION: The canopy swallows her whole, blotting out the sky. Giant, bioluminescent flora awaken around her, casting an otherworldly glow that paints her face in shades of haunting violet and electric blue.

MARIA: (Wide-eyed, breathless) By the ancestors... I didn't think... I didn't think it was this big.

Panel 5

No Turning Back

CAPTION: SNAP.

NARRATION: Behind her, reality stitches itself shut with a blinding flash of violet lightning. The gate is sealed. She is no longer just a visitor?she is a prisoner of the unknown.

MARIA: (Turning sharply, panicked) No, wait! Just give me?!

NARRATION: The silence that answers her is absolute. Maria is alone now, deep in the heart of the forbidden woods... and the hunt has just begun.
