

Panel 1: Into the Untamed Wild

Into the Untamed Wild

A determined young Columbus, dressed in rugged traveler's clothes, hacks his way through thick, tangled brambles and ancient gnarls in a dark, mist-choked primeval forest, gripping a brass compass tightly.

Panel 2: The Glowing Threshold

The Glowing Threshold

Columbus freezes in astonishment as he parts a curtain of hanging moss to reveal an ancient stone archway buried deep in the woods, pulsing with an unnatural, ethereal cyan glow.

Panel 3: Step into the Unknown

Step into the Unknown

Extreme close-up of Columbus's face as he steps across the boundary; his eyes are wide with awe and reflection as a blinding, mystical light and sudden gust of wind wash over him.

Panel 4: The Hidden Horizon

The Hidden Horizon

A sweeping wide-angle reveal showing the dense forest parting into an impossible hidden world? a colossal subterranean valley with floating stone islands, glowing megaflora, and ancient towering spires beneath an aurora-filled sky.

Panel 5: The New Frontier

The New Frontier

Heroic low-angle shot of Columbus standing at the cliff edge overlooking the breathtaking expanse, clutching his compass with renewed purpose, a fierce, adventurous smile spreading across his face.
