

Panel 1: Into the Unknown

Into the Unknown

Young explorer Columbus stands at the threshold of a dense, shadowy primeval forest. He clutches an antique brass compass in one hand and pushes aside thick, thorny branches with the other, his eyes filled with fierce determination.

Panel 2: The Broken Compass

The Broken Compass

Close-up on Columbus's hands holding the brass compass as its needle spins erratically. Faint bioluminescent spores drift through the air around him, illuminating his face with an eerie cyan glow as he realizes the laws of nature are failing.

Panel 3: The Ancient Gate

The Ancient Gate

Columbus parts a dense curtain of hanging, glowing vines to reveal a colossal forgotten stone archway carved with alien-like glyphs, embedded deep in the heart of the forest.

Panel 4: Crossing the Threshold

Crossing the Threshold

Columbus steps across the threshold of the stone portal. A sudden rush of wind whips his cloak back, and blinding golden and emerald light engulfs the frame, dissolving the forest shadows around him.

Panel 5: The Hidden Realm

The Hidden Realm

A breathtaking wide-angle panoramic view. Columbus stands on the edge of a floating mossy cliff, gazing in utter awe at a massive hidden world filled with floating islands, cascading waterfalls in the sky, and giant prehistoric silhouettes drifting through radiant clouds.
