

Panel 1: Into the Unknown

Into the Unknown

Young Columbus pushes through dense, shadowy underbrush in a sprawling primeval forest, gripping an antique brass compass that spins erratically.

Panel 2: The Whispering Marker

The Whispering Marker

Columbus brushes thick moss from an ancient, towering monolith covered in glowing bioluminescent symbols, his face lit with a mixture of shock and wonder.

Panel 3: Breaching the Veil

Breaching the Veil

Columbus parts a dense curtain of hanging glowing roots, triggering a shockwave of mystical energy that sends leaves and wind swirling around him.

Panel 4: The Hidden Realm

The Hidden Realm

A breathtaking reveal of a secret world beyond the trees, featuring impossible floating earth-islands, bioluminescent waterfalls, and towering prehistoric flora beneath an ethereal sky.

Panel 5: The First Step

The First Step

Silhouetted at the forest's precipice, young Columbus stands tall, taking his first confident stride toward the vast hidden world spread out before him.
