

Panel 1: Into the Untamed Wild

Into the Untamed Wild

A determined young Columbus, equipped with a leather travel pack and a weathered compass, navigates through an oppressive, dense primeval forest as dramatic shadows stretch between the towering trees.

Panel 2: The Unnatural Gleam

The Unnatural Gleam

Columbus pauses in his tracks, wiping sweat from his brow, his attention captured by an ethereal, pulsing azure glow filtering through a massive wall of intertwined, ancient roots.

Panel 3: Breaching the Veil

Breaching the Veil

Columbus parts a heavy curtain of bioluminescent vines and cracked stone, revealing a hidden fracture in the earth that leads into an impossible subterranean expanse.

Panel 4: The Subterranean Realm

The Subterranean Realm

A breathtaking wide establishing view of the hidden world: a colossal cavern beneath the forest featuring inverted waterfalls, floating landmasses, and glowing alien flora spanning as far as the eye can see.

Panel 5: A New Destiny

A New Destiny

A dramatic heroic shot of Columbus standing at the cliff edge overlooking the subterranean wonder, holding his spinning brass compass, his expression filled with awe and unshakable resolve.
