

PANEL 1 | BREACH INTO THE VOID

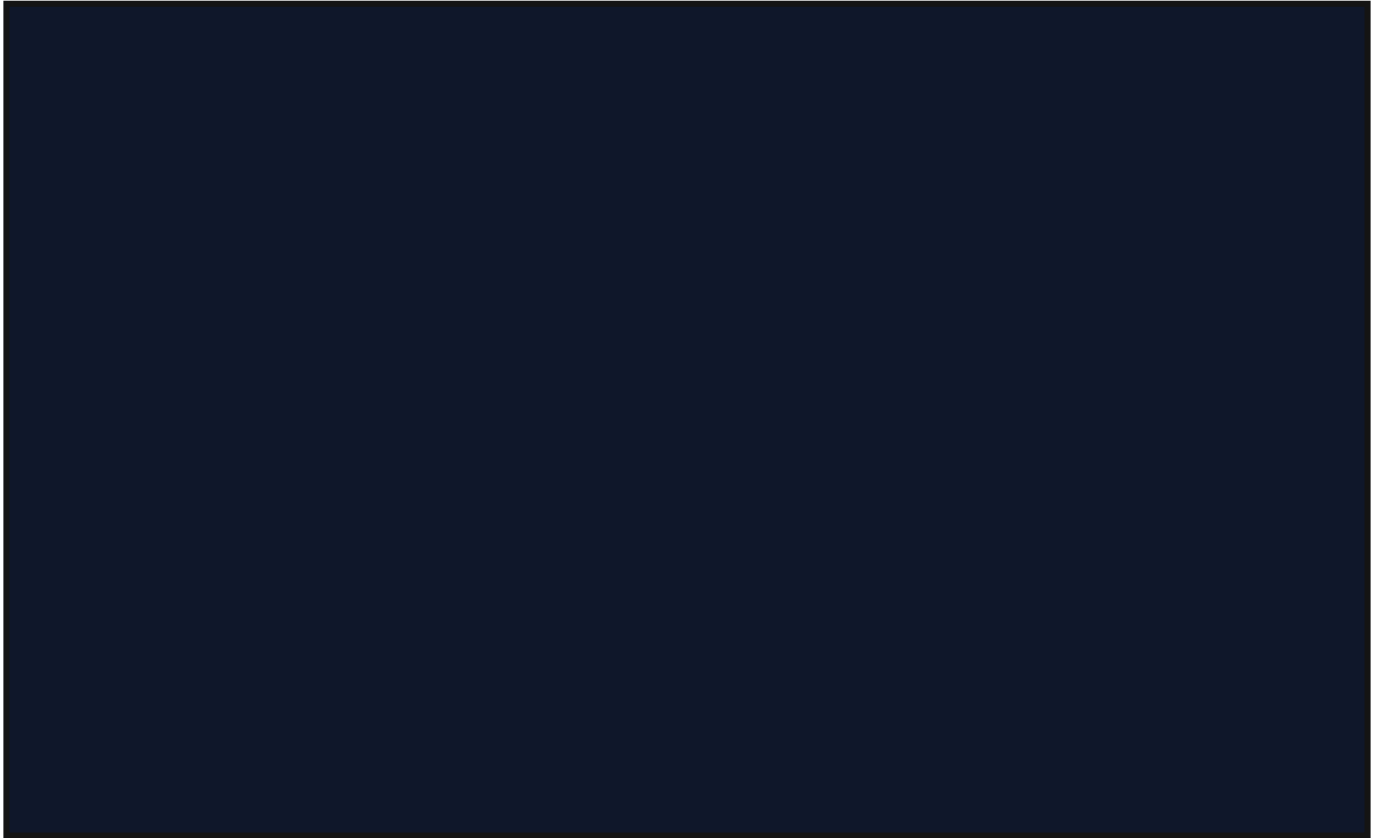

*** VWOOSH! ***

NARRATION: Ren crouches silently upon an overhead steel gantry inside a monolithic corporate data vault. Below, amidst humming server racks bathed in cold teal light, floats a rogue crystalline AI core radiating unstable violet energy and glitching holographic code.

DIALOGUE:

HERO: "The adventure is only beginning!"

PANEL 2 | COUNTERMEASURE PROTOCOL

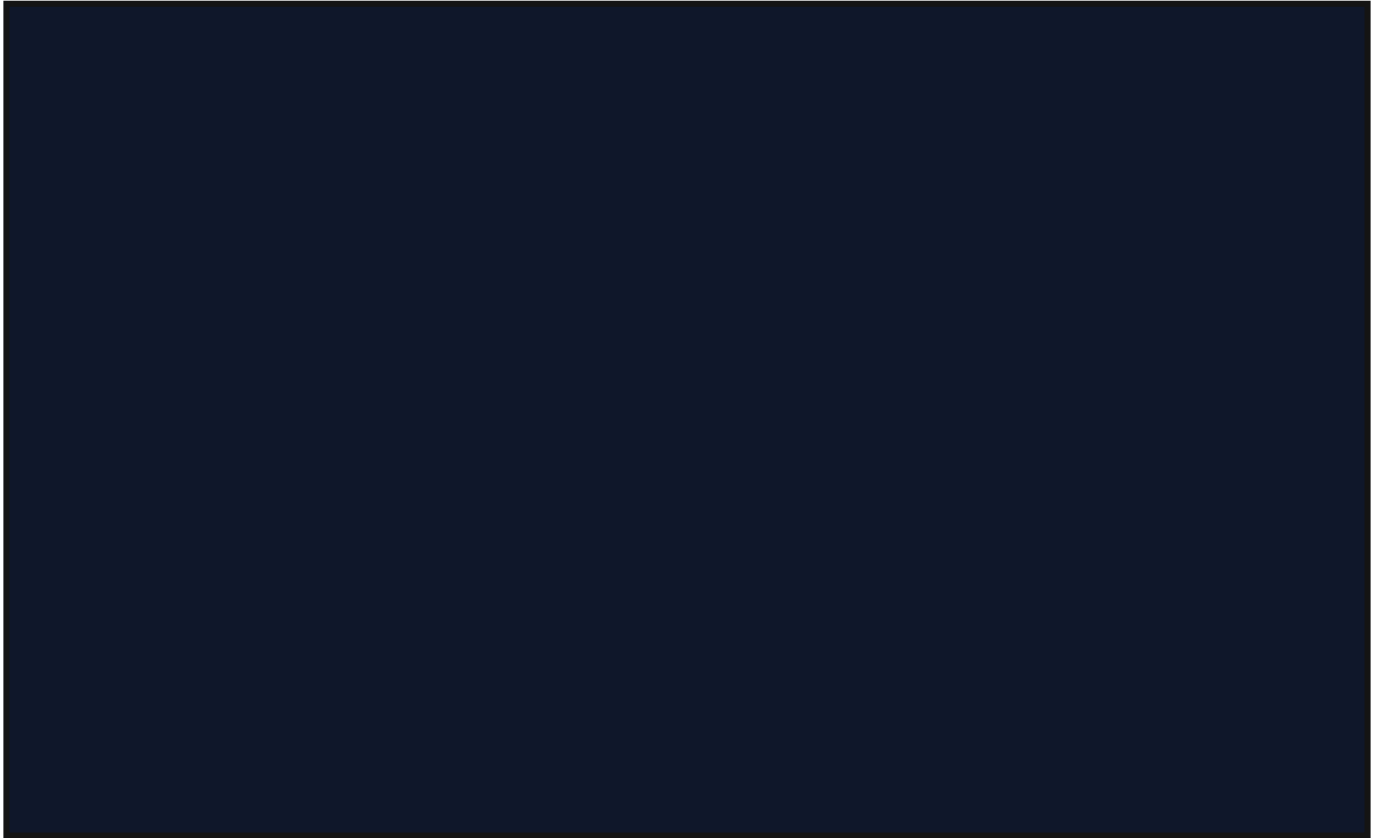

*** VWOOSH! ***

NARRATION: Automated security awakens as lethal spider-drones drop from the ceiling, their crimson laser sights locking onto Ren. Ren drops from the rafters, drawing twin high-frequency plasma blades to deflect an incoming barrage of energy fire in mid-air.

DIALOGUE:

HERO: "The adventure is only beginning!"

PANEL 3 | INTO THE NEON ABYSS

*** VWOOSH! ***

NARRATION: With the extracted AI core secured to his chest harness, Ren detonates a breaching charge and dives through a panoramic skyscraper window into the rainy, neon-saturated skyline of Neo-Tokyo as corporate gunships swarm.

DIALOGUE:

HERO: "The adventure is only beginning!"
