

PANEL 1 | ABYSSAL DESCENT

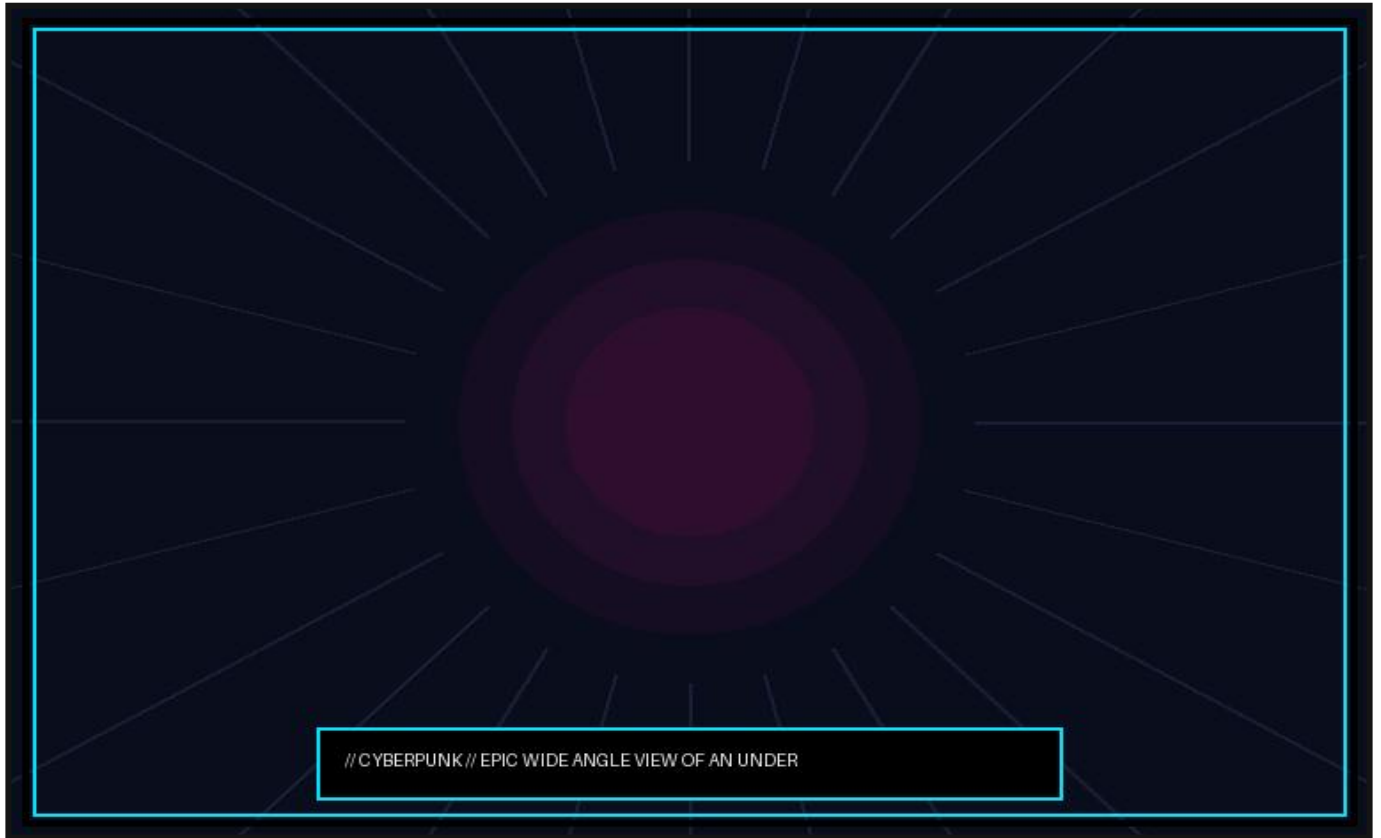

*** CRREEEAAK-THUMP ***

NARRATION: Seven miles beneath the surface, human technology meets its ultimate breaking point in the crushing, lightless void of the Mariana Trench.

DIALOGUE:

MAYA: Hull integrity at eighty percent... external pressure climbing. Come on, hold together. Just a little further.

PANEL 2 | SUNKEN METROPOLIS

// CYBERPUNK // EPIC WIDE ANGLE VIEW OF AN UNDER

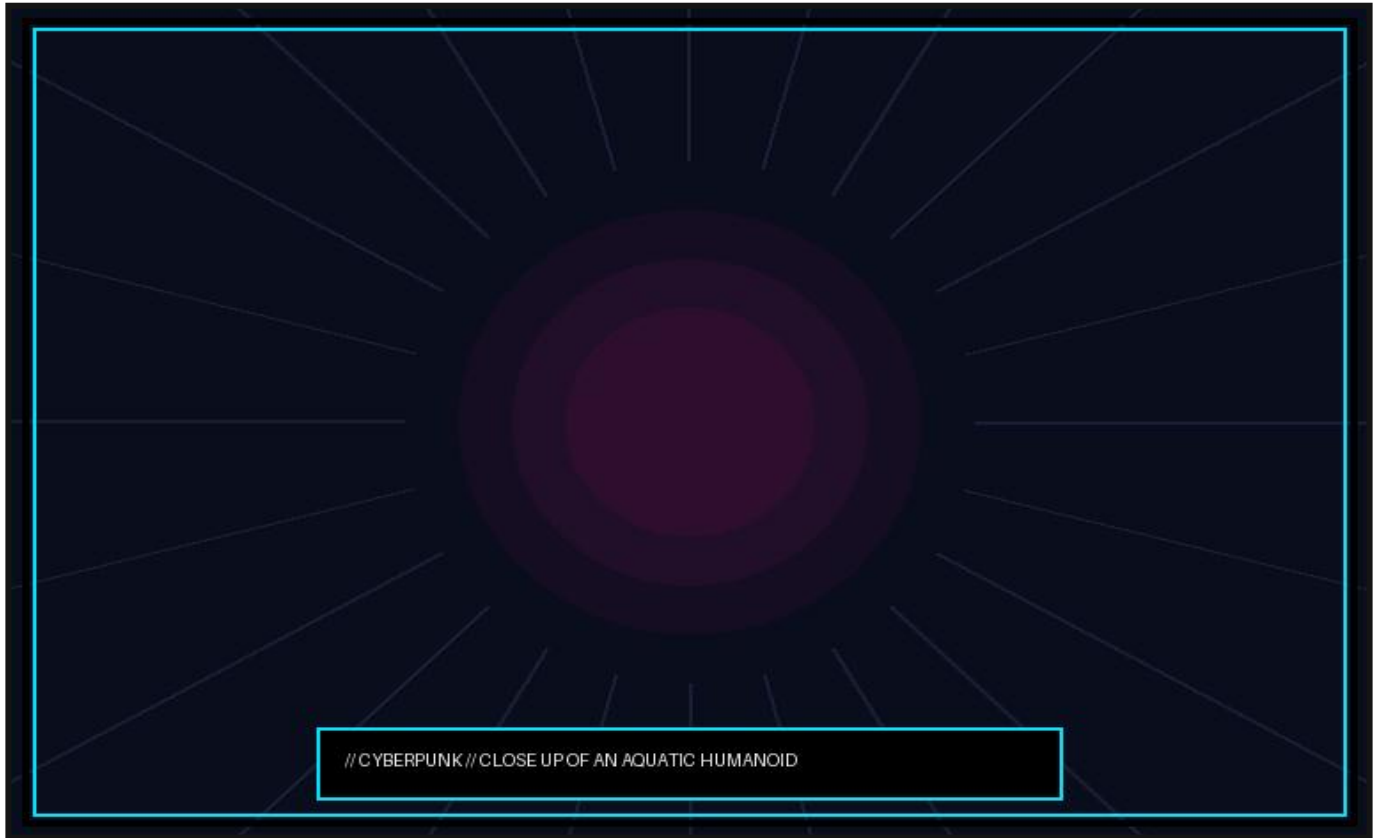

*** HUMMM-ZAP ***

NARRATION: Beyond the abyss lies a lost world reborn in circuits and chrome? a neon heartbeat thumping in the dead of the ocean floor.

DIALOGUE:

MAYA: My God... It's real. Centuries of myth, and it's all... glowing?

PANEL 3 | FIRST CONTACT

*** VWOOOM ***

NARRATION: But the city's architects are waiting in the deep, and they do not welcome visitors from the sunlit world above.

DIALOGUE:

MAYA: Drop the shields! I'm unarmed! I come in?

TAILUS: *Turn back, surface-dweller, or your metal tomb becomes your grave.*
