

PANEL 1 | FOURTH PERIOD FREEDOM

[Panel Art Pending]

*** CLCK-WHIRRR ***

NARRATION: To the rest of Eastview High, Zoe Chen is just an overachieving chemistry student. They have no idea what's hiding right beneath their homeroom.

DIALOGUE:

ZOE: *(Muttering)* And if the stoichiometry holds... *click*. Perfect.

PANEL 2 | GLOBAL COMMAND

[Panel Art Pending]

NARRATION: Forget detention halls?this is the real pulse of the planet, run entirely on teenage angst, high-speed fiber optics, and greasy potato products.

DIALOGUE:

MAX: We've got a kaiju breaching the Seine! Who's on deck for Paris?

LEO: Not me, I'm still chewing these tots. Someone page Zoe!

*** WHOOSH-KABOOM! ***

NARRATION: Saving the free world before lunch hour is just another standard school day for the world's most clandestine student body.

DIALOGUE:

ZOE: Hold the Eiffel Tower, guys?algebra starts in twenty minutes!
