

PANEL 1 | THE GOLDEN GEAR

*** HMMMM-TICK ***

NARRATION: In the quiet heart of Eldoria, time forgets to move forward, leaving only the amber glow of a suspended second.

DIALOGUE:

FINNICK: "It's... it's not broken. It's holding breath."

PANEL 2 | FROZEN MARKET

*** CHIME-NG ***

NARRATION: Stepping beyond the workshop door, Finnick enters a world trapped in amber, where the ghosts of yesterday dance with the present.

DIALOGUE:

FINNICK: "By the gears... everyone's just... statues of sound."

PANEL 3 | THE WEIGHT OF TIME

*** THUMP-THUMP ***

NARRATION: The watch does not offer mastery over the clock, but rather bears the heavy, melancholic burden of a frozen soul.

DIALOGUE:

FINNICK: "You're still dancing, old friends. Even if the music stopped hours ago."

PANEL 4 | RIVER OF ECHOES

*** GLAS-SH ***

NARRATION: Even the rushing currents of Eldoria's river surrender to the timepiece, transformed into a glacial archive of ripples and life.

DIALOGUE:

FINNICK: "Not a single drop falls. The whole world is caught in a glass cage of our own making."

PANEL 5 | KEEPER OF MOMENTS

*** WHOOSH-KABOOM! ***

NARRATION: Raising the gear to the sky, Finnick shatters the silence, unleashing a tidal wave of vibrant memory across the grey horizon.

DIALOGUE:

FINNICK: "Wake up, Eldoria. Time to live again!"
